Supreme Court No. 2008-1001-DR

**PETITION FOR DETERMINATION OF
CONSTITUTIONAL MATTER AND EMERGENCY HEARING**

To the Honorable Justices of The Supreme Court:

NOW COMES your Petitioner, DR. NASSER HEYDARIAN, MD, PhD, KSJ, in his official capacity as President, Dominion of Melchizedek, on behalf of the People of the Dominion of Melchizedek, by and through his counsel of record, Sir Richard James, McDonald, who petitions this most Honorable Court for an emergency hearing to

determine the Constitutionality of the succession procedures utilized by the Dominion of Melchizedek during to elect the current sitting House of Elders.

Petitioner urges this Honorable Court to grant such emergency hearing and to do so on an expedited basis for the following reasons:

A. The Executive Office of the President has received written correspondence from a former Government official questioning the legitimacy of the succession procedures utilized by the Government during the last election that brought the current House of Elders and ultimately President Nasser Heydarian to office. Although the President and his executive staff believe all procedures utilized to have been transparent, fair and Constitutional, the President feels that public confidence in their Government and its President is essential, demanding clarification from the Highest Court of the Land.

B. Prior to the election in question, the former House of Elders failed to convene, failed to call for elections, failed to perform their duties as enumerated in the Constitution and effectively abandoned all of their Constitutionally required duties to the citizenry of the Dominion of Melchizedek. Consistent with the Constitution of the Dominion of Melchizedek, the Executive Office of the then sitting President called for and conducted full and fair elections to replace those members of the House of Elders who had abandoned their Constitutionally mandated duties. Whether or not the procedure utilized to call for elections, nominate candidates and elect new members to the House of Elders was Constitutional and otherwise lawful, is an essential matter that must be determined by this Honorable Court as a matter of national precedence or risk eroding public confidence.

C. Given the importance of this matter, the Court should determine that a Constitutional emergency exists, and schedule a hearing in as expeditious a manner as possible.

Accordingly, The President of the Government of the Dominion of Melchizedek prays that this Honorable Court grant an emergency hearing to determine the

Constitutionality of the succession procedures utilized during that last election of the House of Elders and the Constitutionality of the current President's election to the Office of President of the Dominion of Melchizedek.

Executed this 23rd Day of October, 2008.

Respectfully submitted,

Sir Richard James, McDonald
Attorney for the President
